Dear Strensall with Towthorpe Parish Council,

This letter is to make you aware of the approval of the formal application of the Strensall with Towthorpe Neighbourhood Plan, including the boundary at the Executive Member for Transport and Planning Decision Session on 7th January 2016.

The next stage for the steering group is to establish the issues that could be addressed in the Neighbourhood Plan and to produce a set of options that will be consulted on by the Parish to determine what will be included in the Strensall with Towthorpe Neighbourhood Plan.

A copy of the approved boundary is displayed with this letter but it is also available to view at www.york.gov.uk/neighbourhoodplanning

If you have any further enquiries on this process please email neighbourhoodplanning@york.gov.uk or telephone 01904 551667.

Kind regards,

A handwritten signature in black ink, appearing to read "Rebecca Harrison".
